

Drug and Alcohol Abuse and Prevention Report  
 Lubbock Christian University  
 2010-2011 Academic Year

Drug and Alcohol Prevention

- The LCU Counseling Center offers individual counseling, education, and intervention to students struggling with drug and alcohol addiction and/or any other type of addiction. Clients may be referred to community services as deemed appropriate. For those unsure if they have an addiction, they can complete an anonymous survey under "Web Links for Self Evaluation" below.

The Counseling Center offers the B.A.S.I.C.S. Program (Brief Alcohol Screening and Intervention for College Students) which is an alcohol skills training program. This program and curriculum aims to reduce harmful consumption and associated problems with students who drink.

- The University Health Fair was held on October 11, 2010. Two separate alcohol and drug education displays were sponsored by the Texas Department of Public Safety, Mothers Against Drunk Driving (M.A.D.D.), and the Behavioral Sciences Department.
- *Season of Change* was the title for October's Alcohol Awareness Month activities.
