

Estimated Cost of Attendance

Amounts provided do not represent actual charges. Amounts included are estimates, based on cost and typical expenses for full-time undergraduates for two long semesters during the 2014-2015 academic year. The estimated cost of attendance is one component used by financial assistance personnel to calculate financial need.

Category	Campus Resident	Commuter	Commuter Living at Home with Parents
Tuition and Fees	\$19,400	\$19,400	\$19,400
