Equal Opportunity Statement

Lubbock Christian University is open to all persons regardless of race, color, gender, age, religion, national origin, or disabled condition who are otherwise eligible for admission as students. In all of the educational programs and activities of Lubbock Christian University, the students of the university are treated without discrimination in their participation. Lubbock Christian University does not discriminate on the basis of gender in its admission to or employment in its education programs or activities. Any inquiries, complaints, or grievances concerning Title IX should be referred to the Title IX Coordinator, Dr. Rodney Blackwood, Provost, American Heritage Building, 5601 19th Street, Lubbock, TX 79407, 806-720-7401 or the Office for Civil Rights, U.S. Department of Education, 1999 Bryan Street, Suite 2600, Dallas, TX 75201.

Changes to the Catalog

Courses, tuition, fees and other conditions and policies set forth in this catalog shall be subject to change without notice at any time. Changes or additions to the catalog are posted on the university web site.

About the University

Mission Statement

Lubbock Christian University is an institution of higher education founded in 1957 by members of the Churches of Christ. To honor its heritage, the university continues to operate with a conviction of the importance of restoring New Testament Christianity. Through its various programs of study, the university strives to prepare men and women for life-long Christian service in the family, church, and community.

The university serves a diverse student body from across the United States and around the world. The board of trustees, the administration, and the faculty believe that the freedom to pursue truth and high academic achievement is compatible with the Christian principles to which the university is committed. The faculty is dedicated to excellence in teaching, scholarship, service, and to their role as models of Christian living. The university community seeks to provide an environment that supports students and challenges them to think critically, to value an honest and open commitment to truth, and to fulfill their potential for service to family, church, and community.

The university grants baccalaureate and masters-level degrees. University programs encourage interaction among students, faculty, administrators, and staff members. Faculty and students at Lubbock Christian University work together toward spiritual, social, intellectual, and professional goals in a variety of undergraduate and graduate programs of study.

The mission of Lubbock Christian University is to teach students the spiritual dimension of life, provide a quality education, and impart a system of values for living and for service to family, community, and church.

The mission is embedded in the rich heritage of faith and values that have characterized the university and its founders. Lubbock Christian University exists to impart this faith and those values to future generations. This mission shapes the purpose of the university and commits it to educate leaders who possess a deep and abiding faith in God, a concern for others, and a desire for continuous growth and improvement in all aspects of their lives.

Proclamation of Values

These core values are the guideposts through which the future of the university will be directed.

Faith in God/Allegiance to Scripture

Our belief is that God has sustained and blessed Lubbock Christian University and will continue to do so. Therefore, we will act, trust and pray with God as the most vital force for our future. In addition, His scripture will necessarily serve as the standard for truth and conduct.

People

Because of God's love and the teaching of scripture, we know that people are important and at the heart of Lubbock Christian University. The importance of all people will, therefore, be stressed in all decisions. Student satisfaction and well-being will be a concern of all who are a part of Lubbock Christian University. Faculty and staff will be recognized with respect as those who have the ability, opportunity and responsibility to make the vision of Lubbock Christian University a reality. All interested parties such as parents, congregations, and others will be treated with respect because they are extremely important to the vision of Lubbock Christian University.

Continuous Improvement

The Christian life is one of growth and transformation. As a Christian institution, we value continuous growth and improvement. Every area of campus life will be expected to improve on a continuing basis. Adequate resources and opportunity will be given, over time, for such improvement to be seen and measured.

Team/Servant Spirit

Lubbock Christian University is a body. Each part is essential. No one part is more substantial in terms of importance. Team spirit is the lifestyle whereby each member will operate unselfishly for the benefit of the whole.

Undergraduate Academic Policies

Students registered for classes at Lubbock Christian University are responsible to comply with the academic policies listed in this catalog. Unfamiliarity with these regulations does not constitute a valid reason for failure to fulfill them.

Glossary

- Semester Hours—Regular college courses are offered for one, two, three, or four semester hours credit. Traditionally delivered three-hour courses meet three hours per week for one full semester and typically require two hours of study or preparation time for each hour in class. Courses occurring in shorter terms or courses delivered through distance education formats are designed to provide learning opportunities that are equivalent to traditionally delivered courses.
- Course Load—Students usually take from 12 to 18 hours during a semester.
- Full-time/Part Time—Undergraduate students enrolled for 12 semester hours or more in a term are considered full-time. Graduate students enrolled for six hours or more in a term are considered full-time.
- Grade Point Average (GPA)—GPA is figured by dividing total grade points by the number of hours attempted. Values assigned are, A=4, B=3, C=2, D=1, F=0 points.
- University Core—The university core is comprised of courses that are central to the college education.
- Academic Calendar—the official calendar that defines the start and end date for each term and communicates significant deadlines.
- Academic Year—The academic year is composed of three long terms, fall, spring, and summer. Each term is comprised of sessions of varying lengths, including 16 week traditional length terms and short sessions of varying lengths.

Integrity

Students must conduct themselves with honor and integrity. Refer to the Student Handbook the Code of Academic Integrity.

Grading

Final grades are recorded by faculty and available to students at the end of each enrollment period through the student information system. Grades can only be changed by written authorization of the instructor and academic dean. Grade changes must be received in the office of the registrar within one long semester after the initial grade was given.

Grade Appeals

Students appealing a grade must complete the following.

- First, discuss the grade in question with the instructor of the course
- If the issue is not resolved with the instructor, students may appeal to the chair of the department offering the course
- If there is still no resolution of the problem, students may appeal to the dean of the appropriate college
- Finally, students may appeal to the academic appeals committee

To appeal, students must write the chair of the academic appeals committee within one long semester after the grade was issued. Students and faculty will meet with the members of the committee and present the information their cases. The decision of this committee is final.

Letter Grades

A—Excellent, four grade points per hour

B—Good, three grade points per hour

C—Average, two grade points per hour

D—Poor, one grade point per hour

The following designations are calculated at zero grade points per hour

- F—Failure, no credit, given for failure to meet standards for passing the course or for failing to meet university attendance requirements.
- IP—In Progress, given at the discretion of instructors if requested by the student. When an IP is granted, students have the next consecutive term the course. For example, students receiving an IP in the spring, must complete the course before the end of the summer. If the course is not completed within the allotted time, the grade will be changed to F.
- N—Non-credit, indicates a student took a course and completed required work and tests, but requested no credit.
- O—Audit, indicates a student attended the class, but did not participate or complete required work.
- P—Indicates passing credit received without academic grades or grade points. Credit by examination and a limited

- number of elective courses may be annotated with the grade of P.
- TR—Credit accepted from another university.
- W—Indicates a student has withdrawn or been dropped officially during the first 2/3 of the term.

Audit

Students may audit one lecture class per term with the approval of the department chair. Courses delivered by distance education formats are not eligible for audit. Non degree seeking students, may audit courses provided the department chair approves and space is available. Auditors may be removed, if the space is needed for a student taking the course for credit. Students who audit a course are not eligible to take the same course for academic credit or seek credit for the same course through credit-by-exam. Students are not permitted to change a class from audit to credit or from credit to audit after the 11th class day of a semester or the 4th class day of a short term. Audit tuition is non-refundable.

Non-Credit

Students enrolled in non-credit classes, attend classes, turn in assignments, confer with the instructor, and take tests, but the transcript will identify the course as taken for non-credit. Students are not permitted to change a class from non-credit to credit or from credit to non-credit after the 11th class day of a semester or the 4th class day of a short term. Non-credit tuition is non-refundable. Courses delivered by distance education formats are not eligible to be taken as non-credit.

Pass/Fail

Students with at least 30 semester hours, a grade point average of at least 2.0, and advisor permission, may elect to take one elective course each semester on a pass/fail basis. Students will not be permitted to accumulate more than 12 total hours taken as pass/fail. Pass/fail forms are available in the office of the registrar. Consult the academic calendar to determine the period of time when pass/fail is an option.

Class Adds or Drops

Students who enroll in classes may change their class schedules, with advisor approval, before the end of the drop/add period. Students dropping or adding classes after the drop/add period expires will be charged a \$25 drop/add fee. Courses dropped during the drop/add period will not appear on the transcript. Courses dropped after the drop/add period, but before the last day to drop with a W, will be recorded on the transcript with a grade of W. Classes dropped after the last day to drop with a W, will be recorded with a grade of F. Electing not to attend classes without dropping a class will result in a grade of F.

Withdrawal

Students desiring to withdraw from all of their courses must do so by completing the student withdrawal form by the last day to drop with a W. Student withdrawal forms are available from the office of the registrar. Students not completing the withdrawal procedure will receive an F in each course and will be billed for the full enrollment period.

Late Enrollment

Late registration is permitted during the late registration period. Enrollment after the late registration period must be approved by the academic dean.

Classification of Students

Freshman—completed 0-29 hours of college credit

Sophomore—completed 30 hours of college credit

Junior—completed 60 hours of college credit

Senior—completed 90 hours of college credit

Post-Baccalaureate—taking courses for credit leading toward a second degree or teacher certification after completion of a first degree

Post-Graduate—taking courses for credit or noncredit after completing a baccalaureate degree

Graduate—taking courses to fulfill the requirements of a graduate degree

Repeating a Course

Students desiring to raise their grade point average may repeat a course for which they have a low grade. Both grades will appear on the transcript, but the last grade received is used in the grade point average. Courses taken at other universities are not accepted to improve grade point averages.

Course Load

The standard student load during a long enrollment period is 12-18 hours. Students who hold jobs or who rank in the lower quarter of the ACT examination are encouraged to take fewer than 15 hours during their first college semester. Students on probation must take no more than 14 hours. Students who want to take more than 18 hours must have permission from their academic dean.

Bible

Enrollment in a Bible course each semester is required for all full-time students during their freshman and sophomore years. Transfer students must take ten percent of their hours, but no less than two classes in Bible. Transfer students enrolled for as full-time students must take at least one Bible course each semester until they have completed the requirement. Beginning freshmen and initial transfer students are not permitted to drop their Bible class.

Chapel Attendance

Chapel attendance is mandatory for certain students. Refer to the Student Handbook for chapel attendance policy.

Class Attendance

Students are responsible for material presented in or assigned for their courses, and will be held accountable for such material in the determination of course grades. Three, six, or nine absences in courses meeting once, twice, or three times per week, respectively, and absences for athletic or school-related participation exceeding 25% of the class meetings and/or laboratory sessions may, at the discretion of the professor, cause students to be dropped from the course with a grade of F. Absences for athletic or school-related participation are counted as any other absence. Students that enter the university after the starting date will accrue absences from the beginning class session. Students do have the right to appeal dismissal using grade appeals process. Students may be required to make up any class work and/or assignments missed due to absences. Students whose absences were caused by personal illness, a death in the immediate family, or authorized participation in official school functions will be given an opportunity to rectify, in a manner acceptable to the professor, any deficiencies which may have resulted from such absences. For other reasons, professors determine whether students can rectify deficiencies. It is the responsibility of each student to inform the professor of the reason for an absence. Faculty will not apply a more restrictive attendance policy than the one outlined above. If students disrupt a class, either by tardiness or by distracting noises or actions, they will be given an initial warning. Students may be dismissed from a class upon continuance of disruptive behavior, as determined by the instructor. Students have the right to appeal a class dismissal to their academic dean.

Transfer Policy

Coursework submitted for transfer credit will be evaluated for equivalency by the registrar. Only courses completed with a grade of C or higher will be considered for transfer credit. The course must be of appropriate level for the degree sought and be in a content area similar to the content area of the course offered. Teacher credentials must also be evaluated for credit earned at non-regionally accredited institutions. Although the university may offer transfer credit for a particular course, such acceptance does not guarantee that the course will satisfy the requirements of a particular degree program. Students desiring to appeal the results of an evaluation, may appeal, in writing, to the appropriate academic dean, whose decision is final.

Academic Standards

Academic standing is based on the cumulative grade point average. Grade point averages are computed at the end of each enrollment period. Students have the right to continue their studies at the university as long as they are making satisfactory progress toward a degree and complying with all other university standards.

Good Academic Standing

Students are considered in good academic standing when all admission requirements have been met and they maintain a cumulative grade point average based upon the greater of cumulative total hours attempted or cumulative total hours.

- 1.7 for 1-29 hours
- 1.9 for 30-59 hours
- 2.1 for 60-89 hours
- 2.25 for 90 hours and above

Academic Probation

Students who fall below the grade point average required for their accumulated hours will be placed on academic probation. Their status will be recorded on their transcript. While on academic probation students must do the following:

- Enroll in no more than 14 hours in a semester
- Adhere to the attendance policies
- Suspend participation in extracurricular activities
- Repeat course with grades of F

Students who wish to appeal any condition of this policy must submit a letter to the registrar explaining their extenuating circumstances. The registrar will forward the letter to the academic appeals committee. The Academic Appeals Committee will review the circumstances and determine whether or not academic probation should be enforced. The decision of the academic appeals committee is final. At the end of a semester of probation, students who have not earned at least a 2.0 grade point average are placed on academic suspension.

Academic Suspension

Students are placed on academic suspension for the following reasons.

- Failing all their courses in any enrollment period
- Failing to achieve good academic standing after a semester on academic probation

The term academic suspension refers to a period of time when, for academic reasons, students may not enroll in classes at the university. Students on academic suspension may enroll if their circumstances meet one of the following guidelines:

- They have served a suspension period extending through one fall or spring semester
- Their suspension occurred at the end of the spring semester and they elected to attend summer school while on continued probation. With this option, students must enroll for a minimum of 6 hours. At the end of the summer, if they have earned the required cumulative grade point average, they will be eligible to enroll in the fall. If not, their suspension will continue until the spring semester.

Academic Suspension Appeal Procedure

To appeal a suspension, students must submit a letter to the registrar explaining any extenuating circumstances that may have contributed to the problems resulting in their suspension. This letter will be forwarded to the academic appeals committee, which will hear appeals during one of the regular committee meetings in August or January to determine whether any suspensions should be lifted or enforced. The decision of the academic appeals committee is final. Students desiring to enroll at the university after a third academic suspension must petition the academic appeals committee for reinstatement before enrolling. The committee will hear the appeal during the regular meeting dates in August and January. Students who are readmitted must meet with the committee to petition for reinstatement following any subsequent suspension. Students whose appeal is denied may not enroll again for undergraduate credit. Students appealing to enroll after a third academic suspension, who subsequently have their appeal denied by the committee, may appeal in writing to the provost. The decision of the provost is final.

Access to Disability Services

The university is a member of the Association on Higher Education and Disability and is committed to providing appropriate accommodations for students under the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1963. Students requesting accommodations are required to provide the disability services office with documentation regarding their disability signed by a licensed professional and current within three years. The disability services office is located in the center for student success. Each semester, students seeking accommodations must do the following to obtain accommodations.

- Provide current documentation of disability to the disability services office
- Request accommodations within the first week of enrollment in a long semester or by the second class day of a short

term

- Discuss approved accommodations with each instructor by the third week of enrollment in a long semester or by the fourth class day of a short term

Assessment of Academic Proficiency

Students must successfully complete UNI 2000 in their first semester after completing 60 semester hours of college work. Students who fail to comply with this requirement will be prohibited from taking additional upper level courses. Students are eligible to enroll in this course if they meet the following requirements.

- In good academic standing
- Have successfully completed English 1301 and 1302, History 2301, ESS 1200, MAT 1311 or a higher level course, 6 hours of Bible, one 3 hour course in communication, and a 3 hour science course

Students may enroll in UNI 2000 during the semester in which they anticipate completing these courses. Students entering the university with 30 or more hours are eligible to enroll in UNI 2000 after completing 3 hours of Bible.

Texas Higher Education Assessment for Education Majors

The Texas Higher Education Assessment exam is required for admission to the educator certification program. Students who plan to become teachers should consider taking the exam during their freshman year so they can be assured of having met the minimum score requirements on all sections of the exam prior to their application to the educator certification program. Please refer to the educator certification program section of this catalog for further information about the THEA and other educator certification requirements. THEA registration booklets are available in the testing office.

Change of Major

When students determine to change from one major to another, they should confer with the major advisor in the department from which they are transferring and arrange for a transfer of all academic information to the new department.

Academic Honors and Awards

President's List

Undergraduate students are named to the President's list who complete at least 12 hours with a 4.0 grade point average and successfully complete any courses taken Pass/Fail.

Dean's List

Undergraduate students who complete at least 12 hours, achieve a 3.5-3.99 grade point average, and pass all courses taken Pass/Fail are named to the Dean's List.

Honor Graduates

At each graduation, students who have earned a cumulative grade point average on all college work of at least 3.5 receive the designation cum laude, students with at least a 3.65 average graduate magna cum laude, and those with a 3.8 or higher grade point average graduate summa cum laude. In determining who will graduate with honors, the university calculates all college grades for each graduate, including grades transferred to Lubbock Christian University from other colleges.

Honors Scholars

Honors students who successfully complete the honors program course requirements will graduate as Honors Scholars.

Bronze Medal Departmental Recognition

Each department has the option of awarding two bronze medals to outstanding students in their fields.

Silver Medal College Awards

Silver medals are awarded to individuals who make outstanding contributions to the university.

Gold Medal University Awards

For the Trustees Award, the faculty selects the senior male and female student who best represent the ideals of the university. For the President's Award, the faculty selects the male and female student who evidence the greatest promise of spiritual

service. The dean's award goes to the graduating student of each college with the highest grade point average. The student body and faculty choose Mister and Miss Lubbock Christian University, as representatives of the ideals of the university.

University Core

The purpose of the university core is to instill knowledge, skills, and attitudes that will enhance quality of life. Students who complete these requirements will have a foundation in the humanities, social sciences, natural sciences, and mathematics. College-level competencies learned from the university core include the following.

- Critical thinking—students will demonstrate the ability to clarify, analyze, evaluate, and extend argumentative reasoning.
- English usage/mechanics—students will show a basic understanding of standard written English usage/mechanics
- Essay skills—students will examine a topic and then develop and support a position on the topic
- Quantitative reasoning—students use quantitative reasoning to solve math problems
- Reading comprehension—students will demonstrate the ability to comprehend and derive meaning from text
- Scientific reasoning—students will illustrate an understanding of scientific knowledge and reasoning skills See each degree program for specific core course requirements.

Transfer students must take a Bible courses at Lubbock Christian University equal to 10% of the courses taken at the university but no fewer than 6 hours. Students that transfer 30 or more hours to the university are exempt from the University Seminar. Individual programs may substitute a departmental course to satisfy the UNI 1170 requirement.

Requirements for Associate Degree

- Completion of 60 semester hours or more depending on the prescribed requirements
- Achieve an overall GPA of at least 2.25
- Complete at least 25% of courses required for graduation in residence
- Completion of course requirements and examinations specified by the major department and the university
- Completion of an application for graduation, submitted to the office of the registrar before the deadline
- Requirements for the degree must be completed within 7 years of original enrollment in the university

Requirements for Bachelor Degrees

- Completion of 120 semester hours or more, depending on the prescribed requirements. At least 39 hours must be from upper level courses

- Achieve an overall GPA of at least 2.25
- Completion of at least 25% of the courses required for graduation in residence. Residency requirement must be completed after achieving senior status and at least 15 of the hours required for residency must be upper level
- Bachelor of Science in Nursing students must complete at least 25% of their courses at the university
- Completion of major courses with a GPA of at least 2.5
- At least 18 hours of the major must be from upper level courses
- Completion of course requirements and examinations specified by the major department and the university
- Completion of an application for graduation, submitted to the office of the registrar before the deadline
- Requirements for the degree must be completed within seven years of original enrollment at the university
- Students seeking a second bachelor's degree must complete the requirements for both degrees and earn a minimum of 24 semester hours in addition to those required for the first degree

Requirements for a Minor

- Completion of 18 semester hours from a specific area of study, 9 of which must be upper level
- No more than 12 transfer hours may be counted towards a minor
- Completion of minor courses with at least a 2.5 GPA
- Minors must be approved by the advisor and declared to the office of the registrar
- Completion of an application for a minor must be submitted to the office of the registrar before the deadline to apply for graduation

Graduation Commitment

The graduation commitment or academic plan should be completed by the time students have become juniors. It is the responsibility of students to know their academic plan and to register for and complete courses that fulfill the academic plan. Degrees will be awarded only when students satisfactorily complete the conditions of their academic plans. Students should complete the application for graduation when registering for their last semester. Students have one year from the intended graduation date to complete the requirements. Students needing longer periods of time must secure dean approval.

Graduation under a Particular Catalog

Students are entitled to graduate under the curriculum of the catalog in effect at the time of their first completed semester of enrollment with the following exceptions:

- Students may not use a catalog older than seven years
- Students who interrupt their enrollment, for reasons other than involuntary military service, for more than one calendar year shall be covered by the catalog in effect at the time of the re-entry
- Students who change their major from one department to another within the university shall be governed by the degree requirements that are in effect at the time the change of major becomes effective

Undergraduate Admission Standards

Lubbock Christian University is open to all persons regardless of race, color, gender, age, religion, national origin, or disabled condition who are otherwise eligible for admission as students. In all of the educational programs and activities of Lubbock Christian University, the students of the university are treated without discrimination in their participation. To be considered for admission, an application for admission must be completed and submitted with payment of the \$25 application fee. Beginning freshmen and transfer students must apply by June 1st for summer or fall entry and December 1st for spring entry. Applications received after the deadline will be considered if space allows. Admitted freshmen must confirm their intention to enroll by remitting a non-refundable \$200 tuition advance, which will be applied to their initial tuition bill. Deadlines for remittance of the tuition advance are June 1st for summer or fall entry, December 1st for spring entry, or prior to registration, whichever comes first. Students accepted after the deadline must remit the tuition advance within two weeks of the date of the acceptance letter or prior to registration, whichever comes first. Documents establishing eligibility for admission must be official. The university may exercise due diligence and deny admission to otherwise qualified individuals who have a history that indicates their presence might endanger members of the university community. Further information can be obtained by calling 1-806-720-7151 or 1-800-933-7601. The Admissions FAX number is 1-806-720-7162. The undergraduate admissions e-mail address is admissions@lcu.edu.

Unconditional Admission

Beginning freshmen

- Composite score of 18 or higher on the ACT or a total score of 860 or higher on the SAT critical reading and math sections
- Graduated from an accredited high school, completed a home school secondary curriculum, or passed the General Education Development (GED) with a minimum average score of 45 or higher

Transfer students with 15 or fewer hours of credit

- Composite score of 18 or higher on the ACT or a total score of 860 or higher on the SAT critical reading and math sections
- Graduated from an accredited high school, completed a home school secondary curriculum, or passed the GED with a minimum average of 45

Transfer students who have 16 or more hours of credit

- 1.70 or higher GPA for 1-29 hours attempted
- 1.90 or higher GPA for 30-59 hours attempted
- 2.10 or higher GPA for 60-89 hours attempted
- 2.25 or higher GPA for 90+ hours attempted

Online Degree Completion Programs

- Official transcripts providing evidence of at least 60 transferable academic credits
- Completion of ENG 1301 and 1302 or equivalent
- 2.1 or higher GPA for 60-89 hours
- 2.25 or higher GPA for 90+ hours attempted
- Essay describing personal career goals and interest in the university
- Resume

Conditional Admission

Applicants whose academic records do not meet the standards for Unconditional Admission may, nevertheless, be admitted to the university under the following circumstances.

- Freshmen who scored between 15 and 17 on the ACT or 710-850 on the combined score for critical reading and math on the SAT.
- Transfer students with 15 or fewer hours of credit from an accredited college or university who scored between 15 and 17 on the ACT or 710-850 on the combined score of critical reading and math on the SAT.

Stipulations applying to the conditionally admitted students during the first semester of enrollment are as follows.

- Enroll in no more than 14 semester hours
- Must meet with their academic advisor at least twice during the semester
- Will not participate in extra-curricular activities

Violation of stipulations is cause for dismissal. Students admitted conditionally will be removed from academic probation

by achieving the cumulative grade point average required for good academic standing. Students who appealing conditions of this policy must submit a letter of appeal to the registrar who will forward the appeal to the appropriate committee. NAIA governs eligibility for student athletes. Conditionally admitted athletes are ineligible for athletics in the first semester. Student athletes may become eligible their second semester and should contact the athletic department for eligibility regulations.

Special Admission

Students who do not meet requirements for unconditional or conditional admission may appeal in writing to the admissions committee for special admission. Students accepted by the admissions committee will be admitted on academic probation. Stipulations may be placed on students enrolled in the university by special admission. Students admitted with stipulations are required to sign a contract agreeing to those stipulations. Violation of the special admission contract by students entering the university will be cause for dismissal from the university.

Readmission

Students who withdraw from Lubbock Christian University or stay out a full semester, but then return to the university, must submit a new application for admission, a new health form, and a transcript from each school attended in the interim. Students who were suspended for academic deficiency may apply for readmission to the university after one long semester. The following offices must approve the applications of students applying for readmission: admissions, business, dean of campus life, financial assistance, and the office of the registrar.

Temporary Admission

Students who are not seeking a degree may be admitted with a temporary status, but they are limited to nine hours of undergraduate work during an enrollment period. The student will be allowed to complete up to 12 hours of undergraduate work unless they are seeking a degree at another university. When students reach this 12 hour limit, they must apply for unconditional admission. Students applying for temporary admission must re-apply for each enrollment period.

Concurrent Enrollment

The university has an agreement with Texas Tech University and with South Plains College that allows students enrolled in one institution to register concurrently in the other institution. Freshmen cannot concurrently register without permission from the appropriate academic dean. Texas Tech or South Plains College students seeking a concurrent course at Lubbock Christian University must apply through the Admissions Office. Students seeking concurrent enrollment at another institution must give prior notification to the registrar before applying.

International Student Admission

This school is authorized under Federal law to enroll international students. The following items must be submitted to the admissions office before the university can issue an I-20 to international students.

- Completed application for admission
- Recent photograph
- Copy of passport
- Completed health form
- Immunization Record demonstrating required immunizations
- Transcripts—an international student must have an official English translation of transcripts for secondary school and university/college courses completed. Note: a student who has completed college level work in a foreign country is required to submit an academic evaluation done by a reputable educational consulting service. The admissions office will be glad to provide the necessary contact information upon request.
- Application Fee—nonrefundable fee of \$25
- Foreign Student Deposit—deposit of \$700 is placed in an account in the student's name. If the student's account is paid in full when he or she leaves the university, this deposit is returned. The deposit may be used at the discretion of the university, however, to meet some emergency, to make it possible for a student to go home, or to pay off part of the last semester's account.
- Prepayment—each student must make a prepayment for the first semester's tuition, for various fees, and for room and

- board, if applicable. Payment must be made to the student account advisor in the Business Office.
- Verification of Source of Support: Satisfactory evidence of financial resources must be established, which includes a financial statement for the last six months and an affidavit of support
- TOEFL English Language Test—minimum composite score of 525 on the written version, or 196 on the computer-based test or a 71 on the internet-based test must be achieved for admission. A score of 5.5 or higher on the IELTS will be accepted in place of the TOEFL.
- Signed F-1 Status Contract
- Statement of Purpose—a personal essay describing their career goals and why they want to study at Lubbock Christian University
- Professional Recommendation—recommendation should come from a high school or college teacher or counselor
- Personal Recommendation—recommendation should come from a minister or some other professional who is well acquainted with the applicant

International students without previous college work will be required to take the ACT or SAT exam. International students may be required to take English and math placement tests prior to registration to determine placement in those courses. International students assume complete responsibility for their health care expenses. Students are considered to be maintaining status if they are making acceptable progress toward the completion of a degree.

International Students from English Speaking Countries

English-speaking applicants from native English-speaking countries, including Australia, New Zealand, South Africa, the British Caribbean Islands, Canada, Ireland, Israel, the United Kingdom, and Kenya are not required to submit TOEFL or IELTS scores. The TOEFL or IELTS requirement will be waived for students scoring 430 or above on the SAT Critical Reading test or 18 or above on the ACT English test.

Cooperative Program with Lubbock Christian High School

High school students at LCHS may earn up to 20 semester hours of college credit at the university. For more information about this program and the courses being offered, students should contact the School Counselor, Lubbock Christian High School, 2604 Dover Ave., Lubbock, Texas, 79407, 806-796-8700.

Advanced Credit Using the ACT

Lubbock Christian University will award college credit for an ACT score of 28 or higher in English or Mathematics. See the following credit-by-exam chart for specific details.

Advanced Credit Using the SAT

Lubbock Christian University will award college credit for an SAT score of 670 or higher in Critical Reading or Mathematics. See the following credit-by-exam chart for specific details.

Other Tests for Advanced Credit

Students may contact the Director of Testing to obtain further information regarding these tests:

- Advanced Placement (AP)—Examinations. Students who are enrolled in high school honors classes offering the advanced placement program should consult with their counselors about registering for the Advanced Placement examinations given in May each year. The university will award college credit for a minimum score of 3 on most AP exams. Refer to the Credit by Examination Table for specific credit information. No credit is given for the Latin AP exams.
- College Level Examination Program (CLEP)—The Testing Office offers CLEP testing by appointment each semester. CLEP tests are computer based, and students have the opportunity to take all CLEP tests that are offered by the College Entrance Examination Board (CEEB). Students may also take CLEP tests at any other testing center and request their scores be sent to Lubbock Christian University.
- End of Course (EOC) Examinations—Students who possess sufficient knowledge in an academic area and who wish to challenge a course for credit should contact the director of testing for information. Students may not take a challenge exam in a course that is creditable by CLEP. The university reserves the right to determine which courses may be challenged. Prerequisites for the course to be challenged must be met before testing will be approved. Regulations on credit by examination apply to end-of-course examinations.
- DSST—Organizational Management majors may obtain credit by taking the DSST tests relating to the work experiences that they have had.
- Armed Forces Credit—The university will grant credit for appropriate educational experience in the armed services as

approved through the American Council for Education (ACE).

Applicability of Advanced Credit to Degree Program

Students should consult with the appropriate department chair or dean about the applicability of CBE credits to their graduation requirements before taking the seeking credit.

Miscellaneous Information on Advanced Credit

- The cost for each CLEP exam is \$117
- The cost for each end-of-course exam is \$351
- The cost for each DSST exam is \$120
- The maximum credit toward graduation that may be earned through CBE is 45 semester hours. The university reserves the right to evaluate tests for duplication and to define which courses are subject to CBE, the specific score required, and the credit to be given
- Course credit by examination may not be used to satisfy the residence requirement for a bachelor's degree
- Credit earned by CBE is marked TR on the transcript and will not count toward the computation of grade point averages. Lubbock Christian University cannot guarantee the transferability of any credit granted through CBE, although the university follows the normal practice of most colleges in granting such credit
- Students must wait six months or longer before repeating an examination
- CBE will not be granted if the course is a prerequisite or is not as academically advanced as a course already completed
- CBE will not be granted if students were enrolled on or beyond the 13th university class day of a long semester or on or beyond the 4th university class day of a short semester in the course in which they are attempting to earn credit by examination
- CBE will not be granted if students have previously taken the course or subject matter at any college

Minimum Scores Required to Earn Advanced Credit

ACT–American College Testing Program–Exam is taken prior to admission to the university. Official scores from ACT are required to award credit.

Student Services

Center for Student Success

The Center for Student Success is committed to helping students succeed by providing tutoring services, academic advising, mentoring, testing, and services for students with disabilities. The Center for Student Success is located in the Center for Academic Achievement building.

Tutoring Services

Tutoring is provided without additional cost for students needing assistance on a week-to-week basis or for a one-time session.

Academic Advising

Students admitted conditionally and students that have not yet decided on a major are advised by the Center for Student Success.

Mentoring

Graduate mentors are available year-round to encourage students. Mentors are experienced in the stresses of college life and understand the difficulties associated with the transition to college life. Mentoring is available anytime without an appointment.

Testing

Credit-by-exam opportunities are offered through CLEP, DSST, and end-of-course exams. Course placement tests are also coordinated through the Center. See the advanced credit section of the catalog for more information.

Disability Services

The University is a member of the Association on Higher Education and Disability and is committed to providing appropriate accommodations for students under the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1963. The disability service office strives to ensure students are given equal access to a college education. Students requesting accommodations must contact the disability service office, room 117 of the Center for Academic Achievement, 806-720-7486 or disabilityservices@lcu.edu.

TRIO Services

First-generation college students, students with disabilities, or students that meet federal income requirements, might be eligible for additional support services through TRIO services, to improve student success. TRIO services is a part of a network of TRIO programs fully funded by the U.S. Department of Education.

Online Program Support

Students enrolled in online degree programs have access to a technology help desk 24 hours a day, 365 days a year. Student services coordinators are available and routinely reach out to students enrolled in online degree programs to ensure student engagement and improve student success. Course materials and academic resources are incorporated into the course management system for online degree programs.

Career Services

The Center for Student Success aids students through career assessment, career research, career advising, job placement, coordination of on-campus interviews, and instruction in resume and cover letter writing and job interview protocol.

Counseling Services

Lubbock Christian University is committed to providing counseling assistance for students struggling with academic pressures, family conflicts, relationship difficulties, career indecision, spiritual struggles, substance abuse and other problems. Students seeking counseling services are entitled to limited personal counseling each semester. The director of the Counseling Center is a Licensed Professional Counselor who adheres to the ethical standards of the profession. Counselors

follow the strictest standards in regards to confidentiality and privacy, and measures are taken to protect all confidential counseling records. The Counseling Center is located upstairs in the Student Life Building.

Medical Clinic

The University has a medical clinic, with a full-time, on-site, licensed physician serving as the director of the clinic. The clinic is well equipped and staffed to handle the minor medical problems of university students, including acute illnesses and minor injuries, as well as maintenance therapy for certain chronic health conditions. The physician can assist with referrals to specialists in the Lubbock medical community when needed. There are several major hospitals and urgent care centers within 15 minutes of the University for emergencies or after-hours medical needs. The medical clinic is located on the second floor of the Mabee Student Life Building.

Library

The University library provides learning resources to support its curricular offerings. Holdings include the following.

- 121,889 book volumes
- 50,575 e-books
- 580 subscriptions
- 326 audio-cassette tapes
- 2,250 ultra fiche
- 68 video titles
- 23 CD titles
- 53 multimedia titles
- 105 databases

Librarians provide instruction in use of library resources for research. Library resources and services are also available to students online.

Student Life

Traditional college students are at a time in their lives when they are establishing a system of values and learning how to relate to others in ways that may allow wholesome, lifelong relationships to develop. It is a time when they begin to learn who they are and a time when they may make decisions about vocation and life style. The Christian men and women on the faculty and staff understand the critical role they may play in helping each student lay a solid foundation for meeting life's ethical, moral, spiritual, social, and financial challenges and opportunities. Non-traditional college students typically have returned to school to finish a degree, pursue a graduate degree, or equip themselves for career advancement or change. The college experience is often a time to reevaluate personal values and goals and set out in a new direction in life. Regardless of the ages of its students, Lubbock Christian University is a place to grow and mature, both intellectually and spiritually, as they prepare for responsibility and leadership in their families, churches, and communities of tomorrow.

Activities and events that foster spiritual growth are an important part of campus life. The University has a variety of chapel programs, missions training opportunities, mission campaigns, and regular devotionals, The Willson-Morris Lectures and a Spiritual Renewal Week occur annually. Students are encouraged to participate in the worship and activities of local churches.

Students will find opportunity to participate in a variety of social, professional, and service organizations. For those who enjoy music and theater, the University has several vocal groups, including Chamber Singers, Praise, Best Friends, and Forte; theatrical productions include plays and musical theater. Student publications include the campus newspaper, the Duster Online, and the yearbook, El Explorador. The Student Education Association offers opportunities for service and professional growth to all Lubbock Christian University students. For students interested in becoming classroom teachers, The Student Education Association offers the opportunity to learn more about the teaching profession while becoming better acquainted with others who plan to be early childhood, middle school, or secondary classroom teachers. Students in Free Enterprise sponsor a variety of projects teach and promote the principles of free enterprise. Each year the group competes with teams from more than 500 colleges and universities to determine which programs were most effective in furthering the ideals of free enterprise. For students interested in community service, the Social Work Outreach Association participates in several community service projects each year. Student Senate facilitates interaction between the students and the administration of the University. Each year, students elect individuals to serve on the Student Senate.

The University provides varsity intercollegiate athletic programs for both men and women. The women's varsity programs include basketball, softball, volleyball, golf, and cross country. Men's varsity programs include basketball, baseball, golf, and cross country. Junior varsity intercollegiate athletic programs are offered for both men and women. The junior varsity programs include women's basketball, men's basketball, softball, and baseball. Students can participate in a broad spectrum of intramural sports. Teams are organized through the social clubs or independently.

Traditions such as Spiritual Renewal Week, spring break mission trips, intramural sports, Coke and Nacho, TWIRP week, and Master Follies leave fond memories that will last a lifetime.

Residential Life

Full-time, single undergraduate students who have been out of high school less than four long semesters, are required to live in campus housing. Students may submit a petition to live off campus if they meet one of the following criteria

- Lives with an adult member of immediate family—immediate family is defined as a parent, grandparent, aunt, uncle, legal guardian, or sibling who is 21 or older, or
- Medical reasons for which documentation can be provided

A petition to live off campus must be submitted each semester until the student meets the age or hours requirement.

Because of limited space in the residence halls, students who are required to live on campus will receive priority over those who qualify to live off campus. Part-time students are permitted to live in campus housing if space permits. Campus housing options include the following.

- Katie Rogers houses female students of all classifications
- The Courtyard houses female students who are sophomore, junior, or senior status, however, juniors and seniors students have priority
- Johnson Hall houses male students of all classifications
- The Mabee Living Center houses male students who are sophomore, junior, or senior status, however, juniors and seniors students have priority
- Campus apartments house male or female students with 48 or more hours, are 20 or older, or are married, however juniors and seniors have priority. No children are allowed in campus apartments. Campus apartments are unfurnished but have a full kitchen. Leases are required.

The Courtyard, the Mabee Living Center, and the campus apartments are open year-round. Katie Rogers and Johnson Hall close for Thanksgiving and Christmas holidays and are not open during the summer.

Release of Information

The university will release directory information about students from its records in accordance with FERPA and the Texas Privacy Act. For additional guidance on this subject, please refer to the Release of Student Information section in the Student Handbook.

Student Conduct

The University provides an academic and social environment consistent with Christian principles. Students are responsible to follow the standards communicated in the student handbook and local, state, or federal laws. Students living in campus housing must uphold the policies of campus housing communicated in the Residential Life Guide. The university reserves the right to place students on probation or suspend or dismiss students for violating university standards of conduct. The Student Handbook, Residential Life Guide, and this Catalog constitute a written agreement as to conduct and discipline while students are at Lubbock Christian University.

Drug Policy

The University drug policy is published annually in the student handbook. The Student Handbook is distributed to students during registration and is available on the University website. When University officials have reason to suspect that drugs are being used, appropriate law enforcement officials will be notified.

Drug Education Program

A substance abuse unit is incorporated in the core curriculum course ESS 1200 Personal Fitness and Wellness. One chapel program each year includes a presentation on substance abuse. During registration, students will receive information containing the policy on substance abuse and rules governing such abuse.

Health and Safety

The campus security force operates 24 hours a day, 365 day a year. Security officers enforce university regulations with respect to parking, alcohol, and drugs, and conduct other campus security functions. The university has an emergency notification system, which contacts students and university personnel by e-mail, text message, and telephone. The university uses the emergency contact information provided upon registration. Students are responsible for updating their emergency contact information through the student information system.

Student Right-to-Know

U.S. Department of Education requires certain information to be communicated to students and to the public. Student right-to-know information is available on the university website.

Undergraduate Financial Assistance

Types of Financial Assistance

Financial assistance falls under three general categories

- Grants and scholarships—free money that does not require repayment
- Educational loans—money that must be repaid
- Student employment—money that must be earned

Grants

Grants are available from the State of Texas or the federal government to students who demonstrate financial need and who otherwise qualify. Grants do not have to be repaid.

Scholarships

Academic Scholarships

Students may qualify to receive institutional or funded scholarships based on their academic performance. For beginning students, their academic achievement is determined by their scores on the ACT composite score or the total of the SAT critical reading and math scores. For returning or transferring students, their cumulative GPA determines academic achievement. In order to keep an academic scholarship, students must maintain the minimum required GPA; if students drop below the minimum required GPA, the scholarships will be lost or reduced. Any student receiving an institutional scholarship must be enrolled for at least 12 hours per semester or the entire scholarship will be canceled.

Athletic Scholarships

Scholarships in men's basketball, baseball, golf, soccer, and cross country and in women's volleyball, basketball, golf, cross country, soccer, and softball are offered. For information about athletic scholarships, contact the coach.

Externally Funded Scholarships

Scholarships from non-university sources must be reported to financial assistance.

Discounts

Discounts cannot be combined with academic scholarships during the same semester.

Institutional Aid

In order to keep institutional scholarships or discounts, students must maintain a required GPA. If students drop below the minimum required GPA, scholarships and discounts will be lost. Students enrolled in online programs are not eligible for institutionally funded aid.

Loans

Loans are based on the financial need of the student and the availability of funds from the federal government, lending institutions, and other organizations. Loans must be repaid upon graduation or when students leave the university. Although most loans are made directly to students, some loans are made to parents of dependent students.

Federal Work Study

The purpose of the federal work study program is to provide jobs for students who have financial need and who wish to earn part of their educational expenses. When federal work study eligibility is awarded, the amount awarded is a maximum amount that can be earned in federal work study employment. Students who are qualified for the federal work study program must seek and secure the job, coordinate their working hours, and work the hours necessary to earn their federal work study allocation. Federal work study students must complete an I-9, W-4, and a work contract before beginning work on campus. To complete the I-9, students must be able to establish their identity and eligibility to work. Students working in the federal work study program earn the federal minimum wage and are paid monthly. Students may not work more than

20 hours per week on the federal work study program. Students may choose to have a portion of their earnings credited to their account. Students must be enrolled in at least 6 hours per semester to be eligible to earn any funds from this program.

Financial Assistance Awarding Procedures

In order to be considered for financial assistance, students must first apply for financial assistance. Financial assistance will only be disbursed when the financial assistance folder is complete, including each document requested by the financial assistance, admissions, and registrar offices. Student accounts are credited at the beginning of each enrollment period. State grant funds will not be credited until they are approved by the State of Texas, usually after September 1 for the fall semester, but later than the semester start date. Awards will be based on the number of hours for which a student is enrolled at the beginning of the enrollment period and the awards will be modified if the enrollment status changes.

Deadlines

New students must have their financial assistance applications and files completed and in financial assistance by June 1. Returning student files must be complete and in financial assistance by May 15. Applications will be processed after that date only if funds are still available. Students applying for summer assistance must have their financial assistance files complete by May 1.

Class Drop

Students are awarded financial assistance based upon the number of hours in which they are enrolled. Students are considered full, three-fourths, or half time. For example, students enrolling for 12 hours and dropping a 3-hour class could have their grants and scholarships canceled or reduced as well as become subject to probation or suspension. The institutional refund policy is available in the financial services office.

Withdrawal

Students withdrawing from the university may be eligible for a refund of a portion of the tuition and room and board for that semester—see refund policy in the catalog. If students receive financial assistance, then a portion of the assistance may need to be returned to the grant, scholarship, or loan source from which that assistance was received. Information about the return of Title IV fund requirements are available in the office of the registrar. Students intending to withdraw must begin the withdrawal process in the office of the registrar.

Grade of F in All Courses in an Enrollment Period

If a student begins a semester by attending classes but neither earns a passing grade in at least one of those classes nor withdraws officially from them, the institution must assume, for Title IV purposes, that the student has unofficially withdrawn, unless the institution can document that the student completed the period. A student who unofficially withdraws and receives all F's will be placed on Financial Assistance Suspension immediately.

Incomplete

A grade that is in progress is figured as zero grade points in the GPA. Students are responsible for notifying financial assistance of changes in their transcript after an IP is removed. When an IP is not removed by the end of the following semester, the IP is changed to an F.

Repeat

Students repeating a course for the first time will be allowed to count it toward assistance eligibility.

Courses not Required for Degree

Students are responsible for enrolling in courses in their degree plan and must notify financial assistance if enrolling in courses outside of their degree plan. Enrolling in courses not required for a degree may affect eligibility for aid.

Eligibility for Financial Assistance

To be eligible for financial assistance, students must maintain satisfactory progress. Financial assistance recipients will be evaluated at the end of each semester. Satisfactory progress is divided into two categories, (1) cumulative grade point

average, and (2) hours successfully completed. The cumulative grade point average is figured on hours completed at Lubbock Christian University only, but all hours, including transfer hours, are counted to determine hours completed.

Cumulative Hours Attempted	Minimum GPA	Minimum Hours Required
1-29	1.70	18
30-59	1.90	20
60-89	2.10	22
90+	2.25	24

When financial assistance recipients fail to meet the cumulative GPA requirements and/or successfully complete the proper number of hours at the end of a semester, they will be placed on financial assistance probation or suspension, as appropriate. The quantitative standards apply to full-time students. Students taking less than a full-time course load are required to complete every hour. Full-time students are limited in the amount of time for which they may receive financial assistance. This time frame is 150% of the time usually required to complete a degree program. For example, students enrolled in four-year degree programs are eligible for financial assistance for six years.

Financial Assistance Probation

When students fail to meet the required cumulative GPA and/or successfully complete the proper amount of hours for a semester, they will be placed on financial assistance probation for the next semester and are in danger of losing their aid. Transfer students with a cumulative GPA is below the minimum standard will be on probation upon enrollment.

Financial Assistance Suspension and Appeals

If, during a period of financial assistance probation, students fail to meet the required GPA and/or successfully complete the required number of hours, they will be placed on financial assistance suspension and will be ineligible for aid. Where extraordinary circumstances exist, students may appeal in writing their suspension to the director of financial assistance. The appeal will be presented to the student financial assistance appeals committee, which will review the facts and make the final decision regarding the suspension. Students must meet with the committee.

Reinstatement of Assistance

Students may regain eligibility by raising their cumulative GPA to the required level and/or by successfully completing the required number of hours in a succeeding semester or semesters.

Eligibility Requirements for Federal Programs

Students must be in compliance with the following guidelines

- Be U. S. citizens or lawful permanent residents
- Be in financial need
- Be able to maintain satisfactory academic progress
- Be enrolled, or accepted for enrollment
- Not be in default on a Federal Perkins Loan (NDSL), Federal PLUS, or Federal Stafford Loan
- Not owe a refund on a Federal Pell Grant, TEG, FSEOG, or LEAP

Statement of Rights and Responsibilities

Students at Lubbock Christian University have the following rights

- To know what student financial assistance programs are available at the university
- To know the deadlines for submitting applications for each financial assistance program
- To know how their financial need was determined, including how various expenses in their budget are considered
- To know what resources are considered in the calculation of their monetary awards
- To request an explanation of the various programs in their financial assistance package
- To consult with financial assistance personnel concerning their application for assistance
- To consult with financial assistance personnel concerning any budgeting and/or financial problems which might arise
- To cancel any loan proceeds received via electronic funds transfer up to fourteen days after the credit has been applied

Students at Lubbock Christian University have the following responsibilities

- To complete all application forms accurately and submit them on time to the appropriate office
- To provide correct information and to be aware that, in most instances, misrepresenting information on a financial aid form is a violation of federal law and may be a criminal offense
- To provide any additional documentation, verification of information, and information or corrections requested by financial assistance before any funds will be disbursed
- To read, understand, and retain copies of all forms requiring a student's signature
- To keep all of the agreements requiring a student's signature
- To know all of the sources of financial aid received and whether the aid is a loan, grant, or scholarship, and if the aid is a loan, to know to whom repayment must be made and the terms of repayment
- To keep financial assistance informed of a correct address at all times while still in school and after graduation as long as any loans are outstanding
- To inform financial assistance of any change in status as a student or of financial status. This includes but is not limited to marriage, divorce, the birth of a son or daughter, employment, and the employment of a spouse or parents
- To complete an exit interview prior to leaving Lubbock Christian University, either as a result of graduation or withdrawal
- To check their university e-mail on a regular basis

Veterans Affairs

Lubbock Christian University is approved for veterans programs except the Hazelwood Act. Depending on the program and eligibility, veterans may be paid a monthly allowance, tuition and fees, a housing stipend and/or book stipends from the Veterans Administration while attending college. Children of deceased veterans may be eligible for benefits. Applications for benefits should be completed and submitted on the veterans website at www.gbill.va.gov. Veteran admission files must be complete and academic plans approved before the registrar/certification officer certifies enrollment for benefits. Only classes meeting degree requirements are eligible for certification of benefits. Changes in major, class schedule and substitutions must be reported to the VA within a limited time frame, so each change must be discussed with the registrar/certification officer at the time of the change.

Academic Standards for Students Receiving VA Educational Benefits

Satisfactory Progress

Students must be in good academic standing to be considered making satisfactory progress.

Probation

Students who fail to maintain good academic standing are placed on probation for one semester. If students achieve a semester of 2.00 or better during the probationary semester, but have not achieved good academic standing, they may be continued on probation for one more semester.

Unsatisfactory Progress

Students on probation and who fail to achieve a 2.00 GPA at the end of the first probationary semester shall be reported to the Veterans Affairs Regional Office as making unsatisfactory progress. Students who fail to achieve good academic standing by the end of the second consecutive probationary period are also reported as making unsatisfactory progress.

Vocational Rehabilitation

The Texas Rehabilitation Commission offers assistance for tuition and fees for students with certain disabilities.

Applications for TRC services are submitted to the Lubbock Regional Office of the Texas Rehabilitation Commission.

Contact Information

Lubbock Christian University
 Financial Assistance Office
 5601 19th Street
 Lubbock, TX 79407
 (806) 720-7176 or 1-800-933-7601
financialassist@lcu.edu

Student Financial Policies

The university offers the following options for payment of accounts

- Payment in full—Checks and cash are accepted in the Business Office. Checks may be mailed to the Business Office at 5601 19th St, Lubbock, TX 79407. Online payment using e-checks or major credit cards is available through QuickBill, accessible through the university website. A 2.75% processing fee is charged for payments by credit card.
- Payment with financial aid—Students should apply for financial aid in time for the process to be completed and the financial aid awarded by the first day of the term. See the Financial Assistance section.
- Monthly Payment Plan—Lubbock Christian University uses Tuition Management Systems (TMS) for monthly payment plans. Students should calculate their expenses for the year, subtract their financial aid, and contact TMS at 1-800-356-8329 or online at www.afford.com. Distance education program students are not eligible.

Online statements are uploaded monthly and are viewable online with a login and password. FERPA prohibits the university from providing access to anyone other than the student.

Other services provided by the business office include the following.

- Check cashing—students may cash personal checks with their student identification card. A fee will be assessed.
- Printing account—students wanting to add money to their campus printing account
- Meal plans—students may purchase a variety of meal plans

Payment of Account

Undergraduate student account balances are payable in full on or before October 1st for the fall and March 1st for the spring. Graduate student account balances must be paid on the last day of the refund period for the enrollment term. Accounts not complying with the above policy will be assessed a late payment charge of \$150. The late fee will not be assessed to students current in their monthly payments to TMS. Payment for summer and JanMester courses must be made by the first day of class. The university will place a hold on a student academic records if educational costs are not paid.

Refunds

Tuition and fee refunds are computed on a declining scale based on when students withdraw from the university or drop a course. Room and board refunds are computed on a declining scale based on when students withdraw or move out of campus housing. Request for withdrawals or drops must be made by completing a withdrawal or drop form, which is available from the registrar. Refunds of tuition will be made according to the following refund schedule.

Long Terms (campus programs only)

- 1st through the 5th day of term—100%
- 6th through 10th day of term—80%
- 11th through 15th day of term—60%
- 16th through final day of term—0%

Short Terms and Online Programs

- Prior to first day of the term, or the first through the eight calendar day of the term—100%
- After the eight calendar day of the term—no refund

Cancellations

Cancellations occur when registration is cancelled prior to the first day of the term. A request for cancellation must be communicated to the registrar. Requests for cancellations received after classes begin will only be granted when the requestor never attended class or used university resources.

Admission to the Bible Major and Scholarships

Students must be formally admitted to the major to graduate with a degree in Bible. Pre-majors will usually apply for formal admission during their fourth long semester. Information about the requirements, deadlines, and applications for formal admission to the major is available from the department administrative assistant. A limited number of tuition discounts are available for majors. Scholarships and discounts may be renewed beyond the fourth long semester only if the student is formally admitted to the program. Formal admission as a major does not guarantee that one will receive a tuition discount. Tuition discount scholarships are awarded on a competitive basis each semester and require service to the department.

Bachelor of Arts in Psychology

The purpose of the study of psychology is to provide students an opportunity (1) to develop a better understanding of themselves and others, (2) to develop a broad base of knowledge about the field of psychology, and (3) to analyze critically psychological theories and principles from a Christian perspective. The psychology curriculum is designed to provide a core of knowledge about experimental, clinical, and counseling psychology. The program provides the flexibility that allows students to learn about psychology in multiple settings. The flexibility of the program allows students to emphasize the acquisition of useful life skills while preparing for graduate programs or vocational opportunities. An emphasis in Sport and Exercise Psychology is available.

Department of Social Work and Criminal Justice

Faculty

Jill Fuller Ph.D., M.S.S.W., Chair; Jeana Culbert, Ph.D, M.S.S.W.; Jennifer Dabbs, Ph.D.; Tony Parnell, M.S.S.W.; Jim Shewan, J.D.; and April Carrasco, M.S.S.W.

Degrees

Bachelor of Arts in Criminal Justice

Bachelor of Social Work

Bachelor of Arts in Criminal Justice

The purpose of a Bachelor of Arts in Criminal Justice is to prepare students to deal with the challenges of law enforcement in a changing society. The criminal justice program will instill a comprehensive knowledge of the criminal justice system while educating students to be critical thinkers who can communicate their thoughts effectively in oral and written form. The curriculum will familiarize students with facts and concepts, but will also teach students to use ethical behavior in applying this knowledge to related problems and changing situations. Graduates from this program will be members of professional organizations dedicated to selfless public service and will be vital in maintaining peace and curbing lawlessness in our society. Criminal justice graduates find gainful employment in law enforcement, security, the courts, and correctional facilities. Graduates with a degree in criminal justice may find employment in juvenile and adult probation, municipal and county law enforcement, private security, hospital security, investigations, and warrant offices.

Minimum employment requirements in law enforcement generally include the following.

- Be at least 21 years old
- Have no convictions for Class A misdemeanor or felony offense
- Have no convictions for Class B misdemeanor offense in the past 10 years
- Possess good mental and physical health
- Meet varying eyesight standards
- Have good moral character
- Possess a valid Texas drivers license with minimum violations

The criminal justice degree is designed to meet the standards established by the Academy of Criminal Justice Sciences (ACJS). ACJS encourages baccalaureate programs to reflect a balanced presentation of a broad scope of criminal justice studies. The criminal justice degree focuses specifically on the five core areas identified by ACJS.

- Criminal justice and juvenile justice processes—law, crime, and administration of justice
- Criminology—causes of crime, typologies, offenders, and victims
- Law enforcement—police organization, discretion, subculture, and legal constraints
- Law adjudication—criminal law, prosecution, defense, and court procedures and decision-making
- Corrections—incarceration, community-based corrections, and treatment of offenders

Bachelor of Social Work

The Council on Social Work Education accredits the baccalaureate social work program at Lubbock Christian University. Therefore, social work graduates are eligible to sit for the social work licensing exam to become Licensed Bachelor Social Workers. Graduates find employment in home health care agencies, schools, children's homes, hospitals, nursing homes, MHMR, Children's Protective Services, residential treatment facilities, criminal justice settings, agencies working with people with disabilities, and various other agencies. Graduates who wish to further their education are experiencing a high rate of success being admitted to Masters of Social Work programs throughout the United States. Most of those admitted are granted advanced standing that shortens the length of the master's program to around 40-50 hours.

Goals

- To prepare students for beginning generalist social work practice with individuals, families, groups, communities, and organizations of diverse social and cultural backgrounds
- To prepare students for effective service, based on the values of the social work profession and the mission of the university
- To prepare students for graduate social work education

Outcomes

Graduates of the Lubbock Christian University social work program will be able to do the following

- Apply critical thinking skills within the context of professional social work practice
- Understand the value base of the profession and its ethical standards and principles and practice accordingly

- Practice without discrimination and with respect, knowledge, and skills related to client age, class, color, culture, disability, ethnicity, family structure, gender, marital status, national origin, race, religion, sex, and sexual orientation
- Understand the forms and mechanisms of oppression and discrimination and apply strategies of advocacy and social change that advance social and economic justice
- Understand and interpret the history of the social work profession and its contemporary structures and issues
- Apply the knowledge and skills of generalist social work practice with systems of all sizes
- Use theoretical frameworks supported by empirical evidence to understand individual development and behavior across the life span and the interactions among individuals and between individuals and families, groups, organizations, and communities
- Analyze, formulate, and influence social policies
- Evaluate research studies, apply research findings to practice, and evaluate their own practice interventions
- Use communication skills differentially across client populations, colleagues, and communities
- Use supervision and consultation appropriate to social work practice
- Function within the structure of organizations and service delivery systems and seek necessary organizational change

Admission to the Program

Students interested in the Social Work major must see the Social Work faculty for academic and career advising. Any student may enroll in the pre-professional course, SWK 2300, however, only students admitted to the Social Work program are permitted to enroll in SWK 3301, 3302, 3303, 4610 or 4620. Once SWK 2300 is complete, Social Work majors must apply to be admitted to the program. In order to be admitted, students must have:

- An overall GPA of 2.25
- Completed ENG 1301 and ENG 1302 earning a grade of C or better in each course
- Successfully completed SWK 2300
- Completed a written application for admission
- Provided a reference from a non-social work faculty member
- Provided a personal reference

When the above requirements are met, the Social Work faculty consider the application and grant or deny admission to the Social Work Program. Students will be informed of the decision in writing. When applicants are denied admission, justification will be provided. Applicants refused admission may appeal, in writing. Students appealing a faculty decision must appear before the faculty for further consideration. At that time, applicants present additional information to support their application. Students may reapply for admission to the program.

Once admitted to the Social Work Program, students are evaluated once more before admission to SWK 4610 and SWK 4620. In the semester before admission to SWK 4610 and SWK 4620, students must demonstrate that the following are accomplished.

- Completion of the Field Placement application
- Overall GPA of 2.25
- 2.5 GPA in all social work major courses
- 2.5 average in SWK 3301, 3302, 3303
- Evaluated favorably by the Social Work faculty in professional ethics and values, in agreement with the NASW Code of Ethics
- Successful completion of UNI2000
- Oral interview with the Director of Field Education

The 2.5 average in the social work practice courses, SWK 3301, 3302, and 3303, will serve as a measure for determining a student potential to engage in effective social work practice. The practice courses provide opportunities for students to demonstrate practice skills, and therefore, if students have at least an average of 2.5, it is assumed they have demonstrated the potential to engage in effective social work practice. Within these practice courses, and other social work major courses, social work faculty evaluate student ability to recognize and demonstrate social work ethics and behavior. Ethics assignments required throughout the social work curriculum are used as the primary measure for evaluating student knowledge and demonstration of social work values and ethics. In addition to the outlined criteria, students are required to meet with the Director of Field Education to discuss guidelines for field and to identify field placement sites, prior to enrolling in SWK 4610 or SWK 4620. Students will either be approved or denied admission into SWK 4610 and SWK 4620, based upon the above criteria and procedures. Students will be notified in writing of the faculty decision. Students may appeal the decision using the original application process.

Criminal Record Implications

Many social service agencies do not allow volunteers and/or employees with criminal backgrounds. Therefore, it may be extremely difficult, if not impossible, to locate an agency where students with criminal backgrounds can complete their field practicum. In which case, it becomes the primary responsibility of a student with a criminal background to secure an approved field placement in accordance with the social work degree plan. The State of Texas reserves the right to deny a license to any person entering the field of Social Work with a criminal history. Therefore, upon their graduation students having a criminal background may be denied licensure by the State of Texas for this or any other reason the State deems relevant. Licensure is not at the discretion of Lubbock Christian University, but rather is dependant solely upon determination by the State of Texas.

Weekend Program

The social work weekend degree completion program is designed for nontraditional students who are working or for students living outside the immediate Lubbock area who must commute to complete their degree. The program is designed for students who have completed an associate degree in a related field or who have completed approximately 60 hours of college course work from a regionally accredited college or university. Students who have all the required prerequisite courses can complete their bachelor's degree in social work in approximately 21 months. However, if students need to complete prerequisites for entry to the program, a social work advisor will meet with prospective students throughout the year to help them select appropriate prerequisite courses. Each course taught in the weekend format will include 4 weekends with the following schedule—Friday 7:00 -10:00 p.m. and Saturday 8:00 a.m. to 4:00 .p.m. Each course will have 45 hours of face-to-face contact with the instructor. A student may take 2 weekend courses each semester, requiring 8 weekends on campus. The online courses will be taught using Moodle and will include online lectures, assigned readings, discussion groups, assigned videos, written assignments, and exams. The curriculum will include all the same courses taught in the traditional manner on campus.

Bachelor of Social Work

The social work program does not give academic credit for life experience or previous work experience.

Additional requirements for music majors.

- Pass the piano proficiency requirement of MUS 1000 by the end of the sophomore year, which would mark the conclusion of four consecutive semesters of piano. The proficiency requirement must be met before students begin their student teaching, which makes it necessary for students to continue to enroll in piano until the proficiency examination is passed. The elements of the proficiency requirement are as follows.
 - Harmonization/improvisation of simple accompaniments to melodies using at least 3 triads—tonic, sub dominant, and dominant
 - Transposition of the same melody to a key one-half or a whole step away with the three chords, I, IV, and V in block position
 - Sight-reading of piano music grade II Classical Era Sonatinas
 - One piece in 4-part chorale style played with music
 - Two memorized pieces grade II Classical Era Sonatinas
 - Play major and harmonic minor scales and arpeggios in all keys, two octaves, hands together, with chord progressions of I, IV, I, V7, I in major and minor with correct fingerings
- Pass a written departmental scales and key signatures test with a minimum grade of 70% at the conclusion of each semester of music theory in order to proceed to the next level of the music theory sequence
- Present a performance recital in the major instrument of at least 45 minutes duration prior to student teaching
- Attend and document 10 recitals each semester except while student teaching
- Participate in at least one music area performance ensemble each semester in which the student is registered for 12 or more hours, except during student teaching
- Participate in the MUS 2000 Music Seminar each Friday afternoon until graduation or semester of student teaching. A grade will be given upon the completion of MUS 4360 Senior Seminar

Bachelor of Arts in Theater Education

This degree prepares students for teaching theater. Involvement in two or more productions each year provides experience in the areas of acting, set design, musical theater, and technical theater. A focus on the UIL one act play prepares students for involvement in directing a competition play. Theater majors are required to audition for the fall and spring productions, and aid in productions, through performance or as part of the crew.

School of Education

The School of Education at Lubbock Christian University is recognized for preparing educators who are ready for the classroom. Even though theory is at the core, the most of time is spent in very practical applications of the current best practices in the classroom. The traditional programs in education have a strong field-based component, allowing pre-service educators a variety of opportunities to work with children in the early childhood, middle school, and/or high school settings. Alternative programs are also available for individuals who have a bachelor's degree and would like to pursue educator certification. The overall design of the programs stems from careful review, state and national standards, and the best practices defined in current research and application. Programs comply with the No Child Left Behind Act. Other special features of the program include the following.

- Professional Development School (PDS) partnerships with the Lubbock Independent School District to improve the education of students and the professional development of faculty
- The incorporation of Core Knowledge Curriculum in early childhood and middle school to provide a content component
- Student organizations such as Kappa Delta Pi National Honor Society (KDP) and the Student Education Association (SEA) to provide for professional growth and the development of team spirit
- A media center including a curriculum lab and library to assist students in the preparation of teaching materials
- A variety of certification programs to meet specific needs
- Individuals wishing to certify to teach in the early childhood, middle school, or high school setting typically earn the Bachelor of Science in Interdisciplinary Studies (BSIS) degree. The faculty of the School of Education will serve as advisors and mentors to those choosing this degree and the teaching profession.

Faculty

David Boyer, Ed.D., Associate Dean of the School of Education; Cathy Box, Ph.D.; Holly Bullard, Ed.D.; C. W. Hannel, Ed.D.; Jean Hines, Ed.D.; Annette Mahan, M.Ed.; Gonzalo Ramirez Ed.D.; Dana Reeger, M.Ed.

Degrees

Bachelor of Science in Interdisciplinary Studies in Early Childhood through 6th Grade Education

Bachelor of Science in Interdisciplinary Studies in Middle School Education

Bachelor of Science in Interdisciplinary Studies in Secondary Education

Programs

Post-Baccalaureate/Alternative Educator Certification

Educator Certification Program

Accreditation and Memberships

The State Board for Educator Certification and the Southern Association of Colleges and Universities accredit the Lubbock Christian University Educator Certification Program. The university holds membership in the Consortium of State Organizations for Teacher Education (CSOTTE), the Texas Association for Colleges of Teacher Education (TACTE), Texas Directors of Field Experiences (TDFE), and the Association of Independent Liberal Arts Colleges of Teacher Education (AILACTE), Texas Association of Certification Officers (TACO), and Independent Colleges and Universities in Texas (ICUT).

Title II Report

Title II of the Higher Education Act of 1998 requires institutions of higher education to report the pass rates of their educator preparation graduates on tests required for certification to the US Department of Education and to the public. The university Title II Report is based on data collected on the 2009 testing year..

- Generalist EC-4-98%
- Generalist 4-8-100%
- Academic content areas-78%
- Special education-100%
- School Counselor-100%
- Principal-100%
- Summary pass rate-92%

Certification Programs

Lubbock Christian University offers approved certification programs as follows.

- Early Childhood Education (EC-6) Certification to teach all subject areas in pre-kindergarten through grade 6
- Middle School Education-Specialist (Grades 4-8)–Certification to teach grades 4–8 in a particular teaching field. Teaching field options include math, science, reading/language arts, and social studies
- Secondary Education (Grades 8-12)–Certification to teach grades 8-12 in one teaching field. Teaching field options include business education, technology applications, English language arts, history, life science, mathematics, physical science, composite science, composite social studies, and speech communication
- All-Level Education (Grades EC-12)--Certification for EC-12th grade art, music, physical education, Spanish, or theater arts

Certification programs are subject to change by the accrediting agencies. Students should check with their academic department advisor for exact requirements.

Educator Certification Council Policies

The Educator Certification Council is responsible for insuring that educator certification candidates possess the basic skills and qualities necessary to perform the duties of a beginning teacher in a professional and Christ-like manner. The council is comprised of the academic deans, all education faculty and faculty representing the departments offering educator certification. As required by the State Board for Educator Certification, the council has established admission requirements for all programs of study leading to educator certification. Early Childhood (EC-6) candidates may not enroll in any pedagogy and professional responsibility (PPR) Core courses without the approval of the council and admission to the Educator Certification Program. Middle School Specialist (MSS) and Secondary candidates may enroll in up to but not more than six hours of the PPR Core before being fully admitted. All education program candidates must be admitted into the Educator Certification Program prior to enrollment in the methods block of coursework. The council meets at the end of each long semester. Therefore, undergraduate students must submit a completed application portfolio by October 15 in order to take PPR core courses in the spring semester and March 15 in order to take these courses in the summer or fall semesters. Interested students should obtain an application portfolio form and return the form to the office of the Director of Certification by the stated deadline.

Criteria for Admission to Educator Certification Program

Basic skill requirements

- Reading–THEA score of 250 or better*
- Mathematics–THEA score of 230 or better*
- Writing–THEA score of 230 or better*
- Oral Communication–grade of C or better in COM 2340
- Critical Thinking–completion of university core with and minimum of 2.75 GPA

General requirements

- Successful completion of 60 hours
- Cumulative GPA of 2.75 on a 4.00 scale

Successful completion of 12 hours in content field or interdisciplinary area with minimum GPA of 2.75. University Core courses do not count toward the required 12 hours.

- Recommendation from one faculty member in the School of Education to be obtained by the Director of Certification
- Grade of B or better in REA 3340 for EC-6 candidates

Submission of an application portfolio containing the following items.

- Recent photograph
- Unofficial copies of all university transcripts, including THEA scores
- Recommendations from two faculty members from outside of the education department who are familiar with the student's academic achievement and potential as an educator
- A faculty member from the School of Education who is familiar with the student academic achievement and potential as an educator will provide at least one recommendation for the applicant portfolio
- Completed Self-Evaluation Form

The Educator Certification Council will not consider undergraduate students for admission without documented THEA scores or approved scores achieved on the ACT or SAT. Students must do so, in writing, at the time of application and provide documentation. Admission to Educator Certification Program is based on the following criteria

for Post Baccalaureate, Alternative Certification, and Masters candidates.

- Meet all qualifications for admission into their given program
- Complete an application packet that includes application form and two recommendations from professors who have had them in class
- A minimum GPA of 3.0 in certification program hours

Criminal Record Implications

Pursuant to the Texas Education Code, 22.083, candidates may be required to submit to a criminal history check prior to participation in activities that occur in a field-based setting. Students should be aware that licensing by the State of Texas may be influenced by a criminal history report. Lubbock Christian University does not ensure licensing by the State of Texas. Students may contact the State for further information.

Educator Qualities

Educator candidates are to demonstrate the teaching qualities outlined in the Educator Certification Program Mission Statement or demonstrate a potential for positive development of these qualities. The Educator Certification Council will evaluate these qualities through an analysis of the faculty recommendations and the student biographical sketch that are included in the application portfolio. Interviews may be scheduled in the event of a question concerning the applicant portfolio. Educator qualities include the following.

- View teaching as a mission and ministry
- Have a desire to help others
- Have a commitment to the welfare of children
- Possess high moral and ethical standards
- Demonstrate openness to new ideas
- Possess effective oral and written communication skills
- Demonstrate emotional and physical health
- Demonstrate creative problem solving skills
- Demonstrate leadership
- Demonstrate strong academic background

Review of Application Portfolios

The School of Education will present the completed application portfolio of eligible students to the Educator Certification Council for review. The council will review the application portfolio and vote to:

- Admit the student unconditionally to the Educator Certification Program as an educator candidate*
- Admit the student conditionally. Conditional admittance will be given to students who will meet the full requirements before the next long semester begins. Conditional admission will allow students to take PPR Core courses with the understanding that admission requirements must be met to achieve unconditional admission and to take additional PPR Core courses.
- Deny Admission

*Candidacy is no guarantee of recommendation for student teaching or educator certification. Educator candidates must continue to demonstrate the appropriate progress toward the proficiency and the qualities of a pre-service teacher. If admission is denied, a student must contact the Director of Certification to update their application folder for the next council meeting if they wish to apply for admission to the program again. If the council denies admission to a student that has met the basic academic criteria, a process for appeal is available.

Student Teaching Admission Procedures and Criteria

Educator candidates must submit an application for student teaching to the Coordinator of Field Experiences by October 15 to enroll in student teaching during the spring semester, and by March 15 to enroll in student teaching during the fall semester.. Admission to student teaching is based on the following criteria for undergraduate candidates.

- Successful completion of 110 hours applicable to the academic plan
- A minimum GPA of 2.75 in all college work
- A GPA of 2.75 or above and a grade of C or above in each of the following categories of courses (1) interdisciplinary (2) academic specialization, and (3) pedagogy and professional responsibility. If a grade of C is not achieved, the student must retake the course and earn a grade of at least a C
- Recommendations from the professional educators who supervised the pre-student teaching field experience
- Freedom from physical, speech, hearing, or emotional handicaps that are detrimental to teaching

For Post Baccalaureate, Alternative Certification, and Masters candidates, admission to student teaching is based on the following criteria.

- Must meet qualifications for admission into the program
- Complete an application packet that includes application form and two recommendations from professors who have had them in class
- A minimum GPA of 3.0 in certification program hours
- Successful completion of the TExES content examination where appropriate

The council will review all applications and vote to either admit or deny admission to student teaching. If the council denies admission to an educator candidate who has met the basic academic criteria, a process for appeal is available.

Standards for Student Teaching

A grade of B or better in student teaching is required to receive a recommendation for an educator certificate.

Criteria for Educator Certification

Criteria for educator certification are as follows.

- Successful completion of student teaching, with a grade of B or better
- Undergraduate candidates GPA requirements
- A GPA of 2.75 or above in all college credit courses
- A GPA of 2.75 or above and a grade of C or above in each of the following categories of courses, (1) interdisciplinary, (2) academic specialization, and (3) pedagogy and professional responsibility. If a grade of C is not achieved, the student must retake and pass the course.

Post Baccalaureate and Masters Degree candidates GPA requirements.

- A GPA of 3.0 in certification program hours
- An earned bachelor's degree from an accredited college or university with sufficient academic and professional development course credit hours to meet the state requirements for an educator certificate
- Demonstration of high moral and ethical character
- Satisfactory level of performance on the required certification exams

Approval is based on the following criteria.

- Educator candidates are eligible to take content exams prior to admission to the program and pedagogy exams upon recommendation of the Program Coordinator of Educator Certification
- No previous felony or misdemeanor convictions. In compliance with 19 TAC 141.5, a computer check will be made by the State Board for Educator Certification with the Texas Department of Public Safety.

Candidates may contact the office of the Director of Certification during the student teaching semester for state certification procedures. When the candidate has met all requirements and submitted all fees, the School of Education will recommend their certification to the State Board for Educator Certification. The administrative functions for the certification process are now conducted by the Educator Certification and Standards Division at the Texas Education Agency.

 - ENG 1302 Composition and Literature
 - EDU 3350 Educational Psychology
 - 3 hours from HIS 2301 History of the United States I or HIS 2302 History of the United States II
 - GOV 2302 Texas State and Local Government
 - ESS 1200 Personal Fitness and Wellness
 - UNI 1170 University Seminar
 - MAT 1311 College Algebra
 - 3 hours from BIO, CHE, NRC or PHY
 - ENG 3308 Technical Writing
 - AFA 2350 Introduction to Fine Arts
 - UNI 2000 University Skills

- B. Academic Specialization 48-51 hours

Candidates must select either the composite or specialization route to complete this degree. The composite route consists of 48-51 hours in the chosen field listed below under composite teaching fields. The specialization route consists of 48 hours; 30 hours in one specialization content area and an additional 18 hours in a selected area of emphasis. The specialization route should culminate with certification in the area of specialization and the opportunity to add certification in the emphasis area after graduation.

Composite Teaching Field Route—select one of the following two composite teaching fields.

Composite Science—BIO 1405, 1406, 2401, 3300, 3303, 3323, 4303, CHE 1307, 1107, 1308, 1108, 3300 PHY 1303, 1103, 1304, 1104, and from Texas Tech, take GEOL 1303, 1101, 1304, and 1102 (51)

Composite Social Studies—HIS 1315, 1316, 3323, 4350; 9 hours from HIS 3313, 3315, 3325 recommended, 4302, 4313, 4314; 3 hours from HIS 4325 or 4326; 6 hours from HIS 3310, 3320, 3330; ECO 2301; GEG 2300 and 3342; GOV 2301, 2302, and 3 hours from GOV 3323, 3331, or 3341 (48)

Specialization Teaching Field Route—select one 30 hour area of specialization and one 18 hour emphasis area.
Business Education—ACC 2301; BUA 1300, 3305, 3310, 4301; IST 2300; ECO 2301; FIN 2301, IST 3300, and MGT 3300

Technology Applications—IST 2300, MGT 3311, IST 3300, IST 3332, IST 3351, DMA 2344, DMA 3342, and 9 hours from IST

English—ENG 3302, ENG 3317, 6 hours from 3311, 3313, or 3322; 6 hours from 4315, 4316, 4323, or 4324, and 12 hours upper level ENG

History—HIS 1315, 1316, 3323, 3325, and 4350; 4313 or 4314; 4325 or 4326; 3 hours from 3310, 3320, 3330; 3 hours from 3313, 3315, 4302, 4352, and 3 hours from ECO, GEG, GOV or HIS

Life Science—BIO 1405, 1406, 3300, 3303, 3304, 3305, 3323, 4102, and 6 hours from composite science list

Math—MAT 1310, 1312, 1313, 1402, 1403, 3302, 3303, 3305, 3350, and 4350

Physical Science—CHE 1307, 1107, 1308, 1108, 3301, 3101, 3302, 3102, 3210; and (1) 4311, 4111, 4312,

4112 or (2) 3405, 3406, and 6 hours selected from composite science list

Speech Communication—COM 2312, 2351, 2340, 2348, 3371, 3372, 3374, 4345, 4374, and 3 additional

COM courses

Emphasis—The emphasis may be selected from one of the specialization areas or additional options including EC-12: Art, Music, Physical Education, Spanish, and Theater. Please see content advisor and refer to the major courses listed in the appropriate section of this catalog.

	Major, Pedagogy, and Professional Responsibility	36 hours
	Electives	3 hours
	Total	132-135 hours

Post Baccalaureate/Alternative Educator Certification Programs for Initial Certification

Individuals who possess at least a bachelor's degree from a regionally accredited institution and who meet specific qualifications may be admitted into a special certification program. The specifics of the post baccalaureate/alternative certification programs are outlined below.

Post Baccalaureate Certification for Early Childhood Education

Qualifications for Admission

- An overall grade point average of 2.75 on a 4.0 system at the baccalaureate level
- Demonstration of basic skills on a state mandated test (THEA) in mathematics, reading, and writing per the requirements listed previously in the Educator Certification Admissions section of this catalog
- Demonstration of skill in computing and technology through either successful completion of course work or proficiency review
- Demonstration of speech competency with emphasis on oral proficiency in the English language through successful completion of course work
- Successful completion of the following courses with a minimum GPA of 2.75

Post Baccalaureate Early Childhood Education Course Requirements

15-18 hours from the following to be decided by post-baccalaureate advisor

EEL	2310	Teachers, Schools, and Society/Tutoring
EDU	3350	Educational Psychology
BIO	1303	Integrated Science I or BIO 1304 Integrated Science II
EEL	2307	Conceptual Development of Math for Elementary Teachers I
EEL	2320	Instructional Technology
EEL	3320	Early Childhood Education
ENG	3300	Literature for Children and Young Adults
REA	3330	Literacy and the Young Child
REA	3340	The Reading Writing Connection/Observation
	Methods Block	
EEL	4160	Teaching Certification I
EEL	4301	Social Studies Methods/Practicum

EEL	4302	Mathematics/Science Methods
EEL	4320	Assessment and Evaluation
REA	4350	Practical Applications to Reading
REA	4360	Reading across the Curriculum/Practicum
Student Teaching Block		
EEL	4170	Teaching Certification II
EEL	4210	Classroom Management and Organization
EEL	4340	The Elementary/Middle School
EEL	4660	Student Teaching in Elementary/Middle School Seminar

Notes: Grade of C or higher is required for each academic specialization and pedagogy and professional responsibility course except for REA 3340 and EEL 4660, where a grade of B or higher is required. To register for the Methods Block students must meet each requirement for unconditional acceptance into the Educator Certification Program.

Post Baccalaureate Certification for Middle School Specialist or Secondary and All-level Certification with Teaching Field

Admission Requirements

- Earned Bachelor degree with acceptable course work in an area of certification.
- Acceptable score on all parts of the THEA or GRE. The score must be no more than 5 years old. The GRE is required for those pursuing a graduate degree.
- 2.75 Cumulative GPA or 3.0 in last 60 hours.
- 24 approved hours in proposed teaching field with 15 advanced or 36 approved hours in a proposed composite or all-level field with 21 advanced.
- 3.0 GPA in proposed teaching field.
- Students may take up to six hours of the Pedagogy and Professional Responsibility (PPR) Core before being fully admitted. No other PPR courses can be taken until the student is fully admitted.
- Students that do not achieve an acceptable score on the appropriate content TExES certification exam will not be admitted to the program until they complete a certification deficiency plan consisting of undergraduate course related to technology skills and the students proposed teaching field.

Certification Requirements

- Meet admission requirements
- Successful completion, with a GPA of at least 2.75, of the Pedagogy and Profession Responsibility Core consisting of the following.

Post Baccalaureate Middle School Specialist or Secondary and All-Level Certification with Teaching Field Course Requirements

3 hours from		
EDS	2310	Foundations in Education
EEL	2310	Teachers, Schools, and Society
3 hours from		
EDS	2320	Instructional Technology
EDU	5303	Desktop Technology
Methods Block		
EDS	4330	Managing Diverse Classroom
EDS	4350	Design and Delivery
3 hours from		
EDS	4340	Reading, Writing, and Thinking in Secondary and Middle Schools
REA	3340	The Reading Writing Connection/Observations
EDU	5329	Content Area Reading
Student Teaching Block		
EDS	4310	Assessment and Evaluation
EDS	4360	Seminar in Education
EDS	4660	Student Teaching

Students in this program may be eligible to work as an intern during the last semester of the program.

Bachelor of Arts or Bachelor of Science Degree with Educator Certification in Middle or Secondary Education

Students wishing to earn a Bachelor of Arts or Bachelor of Science degree and seek educator certification as a secondary and/or middle school specialist classroom teacher must accomplish the following.

- Meet the requirements of the BA or BS degree
- Meet the requirements of the Educator Certification Program
- Successfully complete a secondary, middle school, or all-level area of specialization
- Successfully complete the Pedagogy and Professional Responsibility Core, which consists of the following
 - 3 hours from
 - EDS 2310 Foundations in Education
 - EEL 2310 Teachers, Schools, and Society
 - 3 hours from
 - EDS 4340 Reading, Writing, and Thinking in Secondary and Middle Schools
 - REA 3340 The Reading Writing Connection/Observations
 - EDS 2320 Instructional Technology
 - Methods Block
 - EDS 4330 Managing Diverse Classrooms
 - EDS 4350 Design and Delivery
 - Student Teaching Block
 - EDS 4310 Assessment and Evaluation
 - EDS 4360 Seminar in Education
 - EDS 4660 Student Teaching, a grade of B or above is required

Notes: Grade of C or higher is required for each pedagogy and professional responsibility course. To register for the methods block students must meet each requirement for unconditional acceptance into the educator certification program. Prior to enrolling in the student teaching block, students must pass the appropriate TExES exam for their specialization. Students in this program may be eligible to work as an intern during the last semester of the program.

Department of Exercise and Sport Sciences

Exercise and Sport Sciences is an intellectual and physical discipline that prepares students for a deeper understanding of physical activity, specifically, exercise and sport. The discipline derives its knowledge base from experiencing physical activity, studying the theoretical bases of physical activity, and experiencing professional practice centered in physical activity.

Faculty

Toby Rogers, Ph.D., M.P.T., Chair; Larry Christian, M.Ed.; Dean Culpepper, Ph.D., AASP-CC; Dustin Driskill, M.AT.; Hope Martin, Ph.D.; Darrell Price, M.Ed.; Kristin Tucker, M.AT.

Degrees

Bachelor of Science in Exercise Science with emphasis in Exercise and Health Promotion
 Bachelor of Science in Exercise Science with emphasis in Pre-Physical Therapy
 Bachelor of Science in Exercise Science with emphasis in Pre-Occupational Therapy
 Bachelor of Science in Exercise Science with emphasis in Athletic Training
 Bachelor of Science in Exercise Science with emphasis in Outdoor Adventure and Resource Management
 Bachelor of Science in Exercise Science with emphasis in Sport and Exercise Psychology
 Bachelor of Science in Physical Education
 Bachelor of Science in Sport Management

Programs

Athletic Training/Fast Track
 Coaching Minor
 Athletic Training Licensure

Bachelor of Science in Exercise Science with an Emphasis in Exercise and Health Promotion
 Bachelor of Science in Exercise Science with an Emphasis in Pre-Physical Therapy
 Bachelor of Science in Exercise Science with an Emphasis in Pre-Occupational Therapy
 Bachelor of Science in Exercise Science with an Emphasis in Athletic Training
 Bachelor of Science in Exercise Science with an Emphasis in Outdoor Adventure and Resource Management

Bachelor of Science in Exercise Science with an Emphasis in Sport and Exercise Psychology

Students successfully completing degrees in exercise science with emphasis in exercise and health promotion will be prepared for employment opportunities in fitness or clinical settings working with healthy, diseased, or injured populations. With the appropriate emphasis, prerequisite requirements can be met allowing students to apply for specialized programs in allied health, including physical therapy, occupational therapy, athletic training, and physician assistant. Likewise, students pursuing an emphasis in sport and exercise psychology can meet prerequisite requirements for a master's in counseling. The outdoor adventure and resource management emphasis prepares students for careers working with federal natural resource agencies such as the U.S. Forest Service and National Park Service, as well as private outdoor adventure entities.

Athletic Training Emphasis/Fast Track

Lubbock Christian University has an affiliation with the Texas Tech University Health Science Center School of Allied Health that provides outstanding athletic training students an opportunity to complete a bachelor's and a master's degree in five years. Upon completion of the a specific 106 semester hour program of study, students apply for admission to the TTUHSC Master of Athletic Training Program. Students admitted to the graduate program may transfer the necessary elective hours back to Lubbock Christian University to fulfill the Bachelor of Science Degree. Students successfully completing both programs would be eligible to sit for the examination for state licensure and the examination for national certification as an athletic trainer. Specific requirements for Athletic Training Emphasis/Fast-Track are as follows. The university core and departmental core remain unchanged from the Exercise Science degree.

D.	Electives		17 hours taken at Texas Tech
E.	Summary		
	University Core		46 hours
	Major		23 hours
	Emphasis		37 hours
	Electives		17 hours
	Total		123 hours

Athletic Training Licensure

The athletic trainer program meets the requirements of the Texas Department of Health for state licensure. Admission to the program is based on the following criteria.

- Submission of an application, high school and college academic records, a resume, and 2 letters of recommendation
- Vacancies in current staff
- Previous athletic training experience is preferred
- Completion of an interview with athletic training faculty/staff
- Students of Lubbock Christian University seeking eligibility for the athletic training license issued by the Texas Department of Health must meet the following requirements
- Earned baccalaureate degree
- Successful completion of BIO 2401, BIO 2402, ESS 1200, ESS 1270, ESS 2310, ESS 2314, ESS 3301, ESS 3371 and ESS 4302
- Successful completion of an apprenticeship program directed by the Lubbock Christian University licensed athletic trainer, which consists of 1800 clock hours conducted during a minimum of 5 fall and/or spring semesters
- Current certification in standard first aid and adult cardiopulmonary resuscitation
- Successful completion of the Texas Athletic Trainer Written Examination and the Texas Athletic Trainer Practical Examination

Students completing this program will be certified only in the state of Texas. Students interested in national certification should refer to the Exercise Science section of this catalog.

Bachelor of Science in Physical Education

Students successfully completing degrees in Physical Education will be eligible to take the Texas Examinations of Educator Standards (TExES) in All-level Physical Education and in All-level Pedagogy and Professional Responsibility. Students must meet requirements of the Department of Exercise and Sport Sciences, the Educator Certification Program and the State Board for Educator Certification (SBEC).

Bachelor of Arts/Bachelor of Science in Engineering (Cooperative Program)

Lubbock Christian University and Texas Tech University have established a cooperative engineering program that will allow students to receive a Bachelor of Arts from Lubbock Christian University and a Bachelor of Science from Texas Tech University. The first two years are taken at Lubbock Christian University and the remaining three years are taken at Texas Tech University. The Texas Tech University degree must be earned to apply for the Lubbock Christian University degree.

Freshman Year	36 hours
BIB 1310 Introduction to the Old Testament	
BIB 1320 Introduction to the New Testament	
CHE 1307 General Chemistry I	
CHE 1107 General Chemistry I Lab	
CHE 1308 General Chemistry II	
CHE 1108 General Chemistry II Lab	
COM 2340 Communication for the Professional	
ENG 1301 Composition Studies	
ENG 1302 Composition and Literature	
MAT 1312 Trigonometry or MAT 1313 Pre-Calculus	
MAT 1402 Analytical Geometry and Calculus I	
ESS 1200 Personal Fitness and Wellness	
ESS 1 activity course	
HIS 2301 History of the United States I	
Summer	14 hours
HIS 2302 History of the United States II	
MAT 1403 Analytical Geometry and Calculus II	
MAT 2404 Analytical Geometry and Calculus III	
GOV 2301 National Government Or 2302 Texas State and Local Government	
Sophomore Year	34 hours
IST 2300 Microcomputer Applications	
EGR Engineering Analysis I, at Texas Tech	
EGR Statics, at Texas Tech	
FOL 1401 Beginning Spanish I	
FOL 1402 Beginning Spanish II	
PHY 2301 Engineering Physics I	
PHY 2101 Engineering Physics I Lab	
PHY 2302 Engineering Physics II	
PHY 2102 Engineering Physics II Lab	
GOV 2301 National Government or 2302 Texas State and Local Government	
3 hours from PSY	

3 hours from HUM, ENG, GOV, or HIS

Prior to the spring semester of the second year at Lubbock Christian University, students must apply for admission to Texas Tech University and contact the engineering department to schedule the engineering analysis and statics courses. During the second year at Lubbock Christian University, students must contact the engineering department at Texas Tech to determine the class schedule for the third year of the program. The minimum semester hour requirement for the joint degrees is 160 hours. Other courses may be advised by Texas Tech University advisors, but must be approved by the program coordinator at Lubbock Christian University.

Department of Natural Sciences

Faculty

Kirt Martin, Ph.D., Chair; Iona Baldrige, Ed.D.; Rod Blackwood, Ph.D.; Bart Durham, Ph.D.; Gary Estep, Ph.D.; Caren Fullerton, Ph.D.; Donna Harman, M.Ed.; Andy Laughlin, Ph.D.; Eddie Moudy, M.S.; Lucy Porter, M.S.

Degrees

Bachelor of Science in Animal Science
 Bachelor of Science in Agriculture Business
 Bachelor of Science in Animal Science with a Pre-Vet Emphasis
 Bachelor of Science in Natural Resources Ecology and Conservation
 Associate of Science in Agriculture
 Bachelor of Arts in Biology
 Bachelor of Science in Biology

Pre-Professional Programs

Pre-Allied Health

Students may complete the necessary coursework to apply for allied health programs at professional schools. Typical allied health tracks include pre-pharmacy, optometry, physical therapy, occupational therapy, and medical technology. Other specialized programs are available—consult a pre-professional program advisor for more information.

Admission Requirements for Bachelor of Science in Nursing

Students seeking the Bachelor of Science in Nursing degree must have completed an associate degree in nursing or a diploma nursing program. Emphasis is placed on self-directed learning, professional and personal growth, and providing holistic care to individuals, families, and communities. A clinical practice component is included throughout the curriculum. Students may practice in a variety of health care settings in Lubbock and the surrounding area. Time is spent in directed and independent practicum activities according to course requirements. Admission to the RN/BSN nursing program requires

- Admission to Lubbock Christian University
- An interview
- Current CPR
- Two references, one from an employer/supervisor and one from a former teacher
- Evidence of current or pending RN license
- Graduation from an accredited school of nursing
- Professional liability insurance

- Criminal background check
- Evaluation of official transcripts for each college or university attended
- Completion of application to the bachelor of science nursing program
- Minimum of C in any prerequisite course and a GPA of 2.5 on 4.0 scale

Honors Program

The University Honors Program provides students of high academic ability in all majors an opportunity to enhance their college educational experience with challenging and provocative courses as well as opportunities for cultural enrichment, semester internships, and study abroad programs. While most honors students complete degrees through their major field of study, the Honors Program also offers the Bachelor of Arts in International Studies degree for honors students and for students that are not part of the honors program. Honors faculty, the honors director, the provost, and the honors student representatives comprise the Honors Advisory Council, which makes policy and offers guidance to the program. Elected students comprise the Student Honors Advisory Council, which plans and executes extracurricular activities, including luncheons, service projects, and cultural events.

Degrees

Bachelor of Arts in International Studies (Honors)

Bachelor of Arts in International Studies

Program

Honors Program

Minor in International Studies

Benefits of the Honors Program

- Additional honors academic scholarships
- Intellectually challenging interdisciplinary curriculum
- Small classes with the honors professors
- Distinctive transcript and diploma designation as Honors Scholar
- Research presentation and publishing opportunities
- Participation in local, regional, and national conferences
- Priority access to study abroad opportunities
- Priority placement in prestigious semester internship programs
- Eligibility for prominent graduate studies fellowships
- Enhanced opportunities for graduate and professional school

Affiliations

- National Collegiate Honors Council
- Great Plains Honors Council
- The Washington Center for Internships and Academic Seminars

Honors Faculty

Stacy Patty, Ph.D., Director; Carole Carroll, Ph.D.; Russell Dabbs, Ph.D.; Gary Estep, Ph.D.; Kregg Fehr, Ph.D.; Kenneth Hawley, Ph.D.; Jesse Long, Ph.D.; Tracy Mack M.A.

Admission Requirements for the Honors Program

Acceptance in the honors program is based on the following criteria

- ACT composite score of 27 or higher, or
- SAT composite score of 1210 or higher on the critical reading and mathematics sections
- Transfer students must have an overall GPA of 3.4 and meet the ACT or SAT criteria listed above

Incoming students who meet these criteria are offered admission into the honors program and an honors scholarship, subject to the signing of an acceptance contract. Students whose incoming ACT scores exceed 31 or SAT scores exceed 1360 may apply for the Helen Devitt-Jones Scholars Award by contacting the director.

Standard for Participation in the Honors Program

Students must maintain an overall cumulative GPA of 3.4 or higher in order to remain in good standing in the Honors Program. Falling below either or both of these standards in a given semester places students on honors probation. If in the following long semester, students on honors probation do not improve their GPA, they will be suspended from the program and lose the honors scholarship. If students on honors probation improve their GPA back to minimum standards in the following semester after they are put on probation, they will be removed from probation. If they improve but do not meet minimum standards, they will remain on probation as long as they continue to improve until they reach minimum

standards. Honors students who successfully complete the Honors Program course requirements will graduate as Honors Scholars.

Honors Program Curriculum

Honors students enter the University Honors Program, which is open to students of any major. The program consists of 30 hours of required honors credit, as follows.

- An honors core of 15 semester hours. The core courses include literature, religion, history, science, and communication studies, which satisfy either university or departmental core requirements. All honors students should take these courses as the foundation of the honors experience.
- An additional 12 hours of courses designated for honors credit.

Options in this area include the following.

- Honors-specific courses, such as HON 2354 Honors Seminar and HON 3352 Special Topics
- Honors-designated sections of majors courses, such as ART 4308H, Honors Art Theory and Criticism, and BIO 4312H, Honors Animal Physiology.
- Honors contract arrangements, where honors students and their departmental major instructors agree on more challenging work within a regular course offering in order to earn honors credit.
- A 3 hour honors thesis course. This capstone course, HON 4380, allows students to synthesize their honors experience with their departmental major in a research project. In some cases departmental capstone courses may substitute for this course.

Although the University Honors Program is not a unique degree major, most of its courses will substitute for university and departmental core requirements. The following table includes the normal substitutions.

HON 1304 for BIO, CHE, NRC, or PHY
 HIS 2302 or HIS 3 hours
 HON 2301 for ENG 2301 or ENG 3 hours
 HON 2310
 HON 2354, 3352, 4352, 4454 as designated by department
 HON 3308 for BIB 3306
 HON 3340 for COM 2311 or COM 2340
 HON 4380 for departmental capstone course

General Schedule of Courses in Honors Program

Year One

Fall Semester

HON 2301 Literature and Life

HON 3306 Vocation and Life

Spring Semester

HON 1304 Science and Man

HON 2306 History of the United States II

Year Two

Fall Semester

HON 2310 Macroeconomics

Spring Semester

HON 3340 Communication for the Professional

Year Three

Fall Semester

HON 3354 Honors Seminar

Spring Semester

HON 3302 Bible as Literature

Year Four

Fall Semester

HON 3352 Special Topics or 4352 Special Topics or Honors Contracted Course

Spring Semester

HON 4380 Senior Research

Advanced Standing in the Honors Program

Students who enter the honors program will receive advanced standing credit as follows.

- English 1301. Automatic credit if students have earned at least a 28 on the English portion of the ACT or 670 on the critical reading portion of the SAT.
- English 1302. Contingent credit is given if students have earned at least 28 on the English portion of the ACT or 670 on the SAT Critical Reading test, or have earned credit for ENG 1301 by taking it prior to admission to the university, or by passing the ENG 1301 CLEP test. Students who pass the honors core English course, HON 2301, with a grade of B or better will receive credit for English 1302 as well. Students who do not earn a B or better in HON 2301 must enroll in ENG 1302 in a subsequent semester.
- English 1301 and 1302. Credit is given for a pass rate of 80% or better on the Freshman College Composition CLEP exam. Students who do not have at least a 28 on the English portion of the ACT have the option to take these examinations.
- Math 1311. Automatic credit if students have earned at least a 28 on the math portion of the ACT or 670 on the Math portion of the SAT.
- Transfer policy: Only courses that are accepted as honors credit will apply toward the 30 hour honors course requirement. Students with 60 or more hours of credit must complete a minimum of 15 hours of honors courses offered at the university including HON 3302, 3354, and 4380 and transfer in at least 15 hours of honors courses to graduate with the Honors Scholar designation.

Completion of 1 month study abroad		

Graduate Studies

Admission and Academic Policies

Admission requirements communicated in this section are minimum standards for admission to graduate programs at the university. Some programs establish additional admission requirements. Students registering for classes at Lubbock Christian University are responsible for complying with the academic regulations of the university catalog. Unfamiliarity with these regulations does not constitute a valid reason for failure to comply. If there are questions, students should ask their advisor, the registrar, or the academic dean.

Application Process

Applications for admission to Graduate Studies at Lubbock Christian University are available on the university web site at www.lcu.edu, in the Graduate Studies Office, the Admissions Office, or in each office housing a graduate program. Applications for admission, application fees, official transcripts from the colleges or universities awarding applicants their baccalaureate degrees, official transcripts from institutions where applicants have attempted or earned graduate credit, official reports of GRE or MAT scores, and required references must be submitted to the Graduate Studies Office 30 days prior to the beginning of the appropriate enrollment period to ensure adequate time for consideration of each application. Applications received after this time will be processed as time and space allow. After applications are processed and required documents are received, the applicants will be notified of their admission status. Applicants are not accepted until an official letter of acceptance is issued. For further information regarding the application process, please contact the Graduate Studies Office, 800-933-7601, 806-720-7599, or graduatestudies@lcu.edu. Lubbock Christian University is open to all persons regardless of race, color, gender, age, religion, national origin, or disability who are otherwise eligible for admission as students. In all of the education programs and activities of Lubbock Christian University, the students of the university are treated without discrimination in their participation. The university may exercise due diligence and deny admission to otherwise qualified individuals who have a history that indicates that their presence might endanger members of the university community.

Admissions Standards

Students on probation or suspension at other institutions are not eligible for admission.

Unconditional Admission

Applicants must meet all of the following requirements for unconditional admission.

- Completion of a baccalaureate degree with a minimum of 120 academic hours from a regionally accredited college or university. Courses taken for the degree must include a minimum of 39 upper level hours. Hours awarded for life or work experience will not satisfy minimum upper level hour requirements.
- GPA of at least 3.0 in the last 60 hours of undergraduate studies or a cumulative GPA of at least 3.0 in twelve or more graduate hours in a discipline relevant to the graduate program for which the applicant is seeking admission
- Total score of at least 800 on the Graduate Record Examination (GRE) or an equivalent score on the Miller Analogy Test (MAT) or WritePlacer Plus Exam

Additional admission requirements

- Behavioral Science—professional resume and personal interview. Does not accept WritePlacer Plus Exam results. Criminal background check necessary for licensure as counselor
- Nursing—official transcript from a nursing school, evidence of licensure as a registered nurse, proof of professional liability insurance
- Education—one academic and one personal reference

Conditional Admission

Applicants who do not meet unconditional admission standards may be granted conditional admission. Applicants desiring conditional admission must submit a letter of appeal to the Graduate Studies Office in order to initiate the appeals process. Students admitted conditionally are on academic probation and are only allowed to take 6 hours of courses during the long semester. Conditionally admitted students not earning at least a 3.0 GPA on their first 12 hours of graduate study, must have the approval of the program coordinator to continue.

Admission for Undergraduate Students

Undergraduate students who are within 12 hours of earning a bachelor's degree and meet all other unconditional graduate
